

## **Westmont Community Care**

### **SCHEDULE OF FEES**

**1 July 2023 to 30 December 2023**

Dear Westmont Community Care client

Please refer to our fee changes on the rear of this letter. The fees take effect from 1 July 2023 to 30 December 2023.

Every attempt has been made to keep the fees at a minimum level, however rising inflationary and operational pressures and salary increases to be passed onto our personal care workers, has meant that the service fees have increased. Unfortunately, the government subsidised funding Westmont receives to provide services to you has not kept pace with rising operational costs and this has resulted in changes to the fee structure.

Westmont Aged Care Services Ltd appreciates that the rising cost of living can be particularly detrimental to clients living on a fixed income. If you experience any financial difficulties in meeting the cost of your service(s), please chat with us about how we can continue to support you.

If you have any questions or would like more information, please don't hesitate to contact us on 02 6043 9867.
