Community Engagement Support

Westmont offers one-on-one assistance to help you connect and get around in the community. Go out for a coffee, do some shopping, catch up with friends, do outdoor activities or get to appointments.

Our friendly staff can pick you up at home and accompany you on the outing and ensure you get home safely.

The service is partly subsidised by the government. Please contact the Community Care Office on PH: 6043 9867 for more information.
